Mr. Stillson Judah

Dear Mr. Judah:

Thank you for your letter of April 26th, which found me at home after an absence of nearly two months.

The delay in remittance of the fund which I agreed to raise was due to the fact that for a period of months the Home Missions Council refrained from recommending our proposition to the constituent Boards. However, now that they have done so, the remittances are coming in, and I hope to have the entire amount before long. I am enclosing herewith a check for \$300, which represents the contribution of the Episcopal, Evangelical Reformed, and Presbyterian Boards. As I understand it, the Methodist Board has made its contribution direct.

I am also sending you a nearly correct list of all the pastors in the Centers, checking the man in each Center with whom you can best correspond. In view of the fact that these Japanese brethren seem to have very clear convictions as to the books they desire, it might be well to correspond with them, if you have not already done so, and find out their preferences. I shall be leaving town tonight for a trip to Arizona and New Mexico, and will be back here about the 12th, at which time I will get in touch with you personally.

I deeply appreciate the fine work that you are doing on behalf of this project.

Very sincerely yours,

Gordon K. Chapman

Dear Mr. Judah:

You will be interested to know that some of the pastors whom you listed to receive books in the Centers are no longer there, and thus I took the liberty of making corrections in the list before sending it on to our purchasing department.

1. The Rev. J. Fujimori has left Manzanar and is now in Denver, and thus at the suggestion of the local people I have substituted the name of the Rev. Henry Bovenkerk, who is coordinator of religious work at that Center. He can be addressed in care of the W.R.A., Manzanar.

2. As the Susu-Magos were planning to leave Gila River on the 21st of November, I substituted for that Center the name of the Rev. John Yamazaki, 32-5-A, who is at the Butte Camp, or Camp II.

3. Paul Osumi, 16-9-B, is now the responsible man at Camp I, Gila River.

I asked our purchasing department to charge the books against my account. I will let you know when I am billed.

Very cordially yours,

Dear Mr. Chapman:

Will you please find out if the original collection of books sent to Heart Mountain has been forwarded to Lamar? I have written twice to Mr. Toriumi but have elicited no information on that subject. His one reply was a discouraging suggestion that the new books sent to be added to the collection had probably been used for Christmas gifts or given to the local library. I am writing to him again giving him a full explanation of the arrangement, but I would appreciate it if you could find out how the situation stands now.

I will write you at length as soon as I have checked over the correspondence with the other camps.

Yours sincerely,

Dear Mr. Judah:

I am enclosing herewith the invoices which I have just discussed with you over the telephone. I hope that they will complete the record of books purchased on Mr. Chapman's account with the Presbyterian Board of Foreign Missions for the circulating libraries.

When you have made a record of the enclosed invoices, will you kindly forward them to Mr. Chapman in care of Mr. Shimpachi Kanow, 5-6-D, Jerome Relocation Center, Denson, Arkansas, where Mr. Chapman will be until the 21st of this month. If you should not have finished with these invoices in time, then just return them to me here.

I will also be glad to have the invoices which I sent you earlier, if you do not need them any longer, as well as the list of books which accompanied the invoices. I am anxious to see that our records are correct at this end.

Dear Mr. Judah:

Some of the Japanese Relocation Center churches are wondering if the time has not come to transfer the books they have to another Center, as the volumes they have have been read. Camp III Poston has sent in the following list of books which they would like to have made available:

Bengel, J. A. - Gnomon of the New Testament (Commentary)
Denny, Jas. - Studies in Theology. Lectures: Jesus and the Gospels
Christianity Justified in the Mind of Christ.
Bentwich, Norman - A wanderer in the Promised Land
Lange - Critical, Doctrinal and Homiletic
Godet F. - N. T. (John, Romans)
International Critical Commentary - set
Denny, Jas. - Studies in Theology
- Death of Jesus
- Reconciliation
Forsythe, P. T. - Any of his books
Conybeare and Howson - The Life and Epistles of the Apostle Paul (with
notes)

You will notice that these books are of the conservative type, which simply indicates that we have to keep in mind the fact that many of these preachers are rather strongly evangelistic.

When I was at the Lordsberg Internment Camp in New Mexico, the ministers there were asking whether it would be possible to have books circulated to the internment camps. There are quite a large number of ministers and church leaders in these places, as you doubtless know. Mr. Kiyoshi Ishikawa of the Lordsberg Camp stated that he would like very much to borrow the following books:

E. B. Redlich - The Student's Introduction to the Synoptic Gospels
F. C. Grant - The Growth of Gospels
Vincent Taylor - The Formation of the Gospel Tradition

In sending books to any of the internees, it would facilitate the censoring and inspection if you sent them in care of Chaplain Otto DeCamp.

Very sincerely yours,

Dear Mr. Folger:

Your letter of March 31 to Dr. McGiffert has been handed to me and the contents duly noted. In regard to the Rev. Ishikawa I should like to say that during this last year we have not only placed religious collections of books in all the WRA camps, but in each camp we have some Japanese minister who is our library representative, and who is supposed to communicate the desires of the Japanese ministers to us as well as supply them with information regarding our special loan service.

It is indeed our wish to help whenever we can by lending books from the main library collection here provided that the particular book or books are not being used by the students for their courses here at the school. In the case of Montefiore's "Synoptic Gospels" the three volumes of this work are on Dr. McCown's special reserve for his class on the Life and Times of Jesus. If there are other books, however, which Mr. Ishikawa wishes, and which are available we shall be glad to furnish him with them ~~one~~ at a time on a two week loan basis with permission to renew for an additional two weeks.

Hoping that we may be of service to you and to him I am

Dear Mr. Chapman:

It has been some time since I have seen you or heard from you. You know, no doubt, that in the meantime we have supplied all the WRA camps (with the exception of Manzanar) with books from our library and a number of libraries from out West and back East. These have formed semi-permanent collections in the camps with the intention to rotate these among the campers. We have also received \$100.00 from the Methodists for new books, and this has already been spent.

Briefly the above brings us up to date, and now the question is first, whether we can expect money from the other denominations as planned, and second, what about money from rotating the libraries? So far this library has spent a considerable sum in sending books to the various camps, money which has come from fine money usually spent on much needed supplies. Is there any way the library can be reimbursed? Also I now have received a letter from Howard University saying that it has a number of books ready to send to us, but asks for \$7.00 postage, which we have not got at the present time. I wonder whether you have made any further arrangements with the WRA director in regard to the WRA taking care of postage for the rotation of these books? Poston has already asked about it, saying that the ministers have finished reading the fine collection sent to them by C.T.S., and would like to know about sending it to some other camp.

If you get a chance in the near future I wish that you would drop me a line, and give me some of the answers I need. My work on this project you can see must await the answers to the above.

Yours very sincerely,

Stillson Judah, Librarian.

According to our records not all of the titles which were ordered through you for the Japanese camp libraries have come. At least we haven't received invoices for all of them.

I am writing to ask whether you have received reports from time to time from the publishers, stating that the book was out of stock or out of print or something of the sort. If you have, I should be glad if you would send me those reports so that I can close the accounts for that batch of orders.

With the closing of the Japanese relocation centers in the autumn we are having to make proper disposition of church equipment. In this connection I am wondering just what the decision has been with reference to the circulating library books which were purchased with contributions from the various constituent denominations.

Thanking you for an early reply,

Dear Rev. Chapman:

No decision has been made regarding the disposition of the books purchased for the libraries of the Japanese relocation centers with funds contributed by your organization. Have you any suggestions?

To date only one collection has been returned. The new books purchased to supplement that collection were not included. In two cases I have asked that their new books be returned here.

If you have a library in connection with your office, you might wish to add them. On the other hand, appropriate marks of ownership may never have been put into the books, so that they may have strayed from the collections. I should be glad to hear your recommendations for their disposal, and shall plan on telephoning you to make the final decision.
